ORDER OF THE BOARD (by M. McFawn):

On December 16, 1997, petitioner Borden Chemicals and Plastics Operating Limited Partnership (Borden) and the Illinois Environmental Protection Agency (Agency) filed a "Joint Motion to Correct Opinion and Order," seeking correction of two apparent typographical errors in the Board's opinion and order of November 6, 1997, granting Borden a variance from 35 Ill. Adm. Code 302.211(b)-(e) and 35 Ill. Adm. Code 304.105. Upon review, it is apparent that two typographical errors were made in the table on pages 8 and 9 of the Board's November 6 order. Accordingly, items 9 and 10 of the table located at pages 8 and 9 of the Board's opinion and order of November 6, 1997, are hereby amended to read as follows:

Item	Description	Completion Date
9	Choice of compliance option and/or decision to pursue adjusted standard	9/30/1999
10	Order equipment to implement compliance option and/or file adjusted standard petition	1/30/2000

Borden and the Agency have also requested an amendment to paragraph C on page 8 of the Board's order. That paragraph currently reads:

- C. During the variance period the temperature in the plant's final polishing clarifier shall not exceed 35°C.

Borden and the Agency point out that they had agreed that compliance with the temperature restriction would be based on the average daily temperature, and that the language of paragraph C does not reflect this. It was the intention of the Board to have

this provision of the November 6 order embody the agreement between the Agency and Borden. Accordingly, Paragraph C is hereby amended to provide:

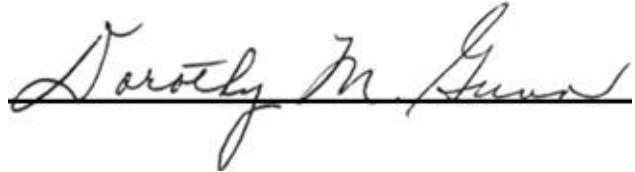

- C. During the variance period the temperature in the plant's final polishing clarifier shall not exceed a daily average of 35°C.

IT IS SO ORDERED.

Board Member K.M. Hennessey abstained.

Section 41 of the Environmental Protection Act (415 ILCS 5/41 (1996)) provides for the appeal of final Board orders to the Illinois Appellate Court within 35 days of service of this order. Illinois Supreme Court Rule 335 establishes such filing requirements. See 145 Ill. 2d R. 335; see also 35 Ill. Adm. Code 101.246, Motions for Reconsideration.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 8th day of January 1998, by a vote of 5-0.
