HEARING OFFICER ORDER

On January 13, 2004, the Illinois Environmental Protection Agency (Agency) filed a proposal for rulemaking for Part 732 (R04-22) and Part 734 (R04-23). The Agency proposes to amend the Board's petroleum leaking underground storage tanks rules. On January 22, 2004, the Board consolidated the two proposals for hearing and accepted this matter for hearing.

The Board will hold at least two hearings in this matter. Both hearings will be conducted to allow the Agency and all other interested parties the opportunity to present testimony on the proposed rules. The order of the first hearing will be:

1. Opening statements;
2. Testimony by the Agency; and
3. Questions of the Agency.

The order of the second hearing will be determined at the beginning of the second hearing.

The "Notice List" is the list of interested persons who wish to receive only the Board's opinions and orders and hearing officer orders in this proceeding. The "Service List" is persons who wish to participate in the proceeding and receive all prefiled testimony and to be participants of record. To be placed on either the "Notice List" or the "Service List" contact the hearing officer at the address or phone number below.

Persons who plan to testify must prefile their testimony. The Agency shall prefile testimony for the March 15, 2004 hearing by March 8, 2004. That testimony will be available either on the Board's web page at www.ipcb.state.il.us or by contacting the hearing officer. The prefilng deadline for the second hearing will be established at the first hearing.

The second hearing will be held at the McLean County Law and Justice Center. This location is the courthouse and related offices for McLean County. All those who attend the hearing will be required to enter through security for the building.
