VIOLATIONS

Based upon direct observations made by Kaare Jacobson during the course of his December 23, 2003 inspection of the above-named facility, the Illinois Environmental Protection Agency has determined that Respondent has violated the Illinois Environmental Protection Act (hereinafter, the "Act") as follows:

NARRATIVE INSPECTION REPORT

On December 23 2003, I (Kaare Jacobsen) conducted follow-up inspection at the Haas Property in Mt. Carroll. Originally, this was a complaint indicating municipal waste and construction debris was dumped in a ravine. The complaint alleges that municipal waste has been open dumped into a ravine. The above referenced facility is located on the north side of Davis Road, just ¼ of a mile east of Zion Road. Agency correspondence should be addressed to the owner of the property, James Haas, Jr. at 12343 East Blackhawk Road in Stockton, Illinois.

Upon arrival at 8:59 a.m., no one was present at the open dumpsite. Since there were no "No Trespassing" signs present, I proceeded with the inspection. During the inspection, it was evident that owner of the property failed to properly dispose the recyclable metals, bottles, wood siding and concrete. An estimated 10 or more yards was observed during the time of the inspection. Photographs 0150205024~122303-001 and 002 show there has not been any movement of municipal waste and clean construction debris from the site. The inspection concluded at 9:02 a.m. The following solid waste violations were cited during compliant investigation: 21(a), 21(d)(1), 21(d)(2), 21(p)(1) and 21(p)(7) of the Environmental Protection Act and 812.101(a) of 35 Illinois Administrative Code.

The owner failed to correspond to the Administrative Citation Warning Notice that was sent to him, via certified letter, on September 13, 2003. Further legal actions will be pursued in order to get this matter resolved.
