)	(90-Day Extension)
ILLINOIS ENVIRONMENTAL)	
PROTECTION AGENCY,)	
)	
Respondent.)	

ORDER OF THE BOARD (by J.P. Novak):

On February 13, 2004, the parties timely filed a joint notice to extend the 35-day period within which the Illinois State Toll Highway Authority may appeal a January 6, 2004 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.402, 105.406. Because the postmark date of the joint request is within the time for filing, the joint request was timely filed. 35 Ill. Adm. Code 101.300(b)(2), 105.404. The Agency approved petitioner's high priority corrective action plan, with modifications, for the Illinois State Toll Highway Authority's leaking underground petroleum storage tank facility located at I-294 east bound in South Holland, Cook County. The Board extends the appeal period until May 11, 2004, as the parties request. *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.406. If the Illinois State Toll Highway Authority fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on February 19, 2004, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
