Narrative

On February 20, 2004, [11:00 AM to 11:30 AM] this author (Robert Wagner) conducted an open dump re-inspection at property owned by Josiah W. Collins II. The property is located at the intersection of 2100 E and 600 N in New Salem Township, McDonough County.

History

On March 28, 2002, an inspection took place at the Collins Property. The Illinois State Police referred the complaint to the Agency. Apparently, the renters at the time of the inspection were operating a met amphetamine lab in the house on the property. The waste generated from the lab operation was dumped in a burn pile on the property.

On April 8, 2002, the property owner, Josiah W. Collins II, was sent an Administrative Citation Warning Notice (ACWN) for the following violations: Section 9(a), Section 9(c), Section 21(a), Section 21(d)(2), Section 21(e), Section 21(p)(1) and Section 21(p)(3) of the Act and Section 815.201 of the Regulations. Mr. Collins did not respond to the ACWN.

On June 13, 2002, a re-inspection took place at the property. The same violations were observed during this inspection. On June 27, 2002, Mr. Collins was sent a continuing violation letter from the Agency.

On October 7, 2003, a re-inspection took place at the property. At the time of the inspection, the following waste items were observed in a burn pile (Area 1): aerosol cans, plastic containers, processed wood, white goods, a couch, metal containers, metal debris, tire beads, and tires. Also, observed dumped in another area of the property (Area 2) were the following waste items: glass bottles, car parts, paper, processed wood, brick, tile, cardboard, a toilet, and metal debris.

During the inspection, Lori Hilton was interviewed. Ms. Hilton told this author that she and her boyfriend (Edward Gulliams) rent the property from Mr. Collins. She told this author that Mr. Collins instructed them to burn their household trash in Area 1. She said that Mr. Collins uses Area 1 to burn debris that he generates from his rental properties.

Apparently, this author misunderstood the pronunciation of Mr. Gulliams last name and misspelled it in the October 7, 2003, inspection report. This author thought that Mr. Gulliams last name was Williams and wrote it wrong in the Open Dump Checklist, in the Inspection Report Narrative and in the ACWN.

On November 7, 2003, Mr. Collins, Ms. Hilton, and Mr. Gulliams were all issued ACWNs for the following violations: Section 9(a), Section 9(c), Section 21(d)(1), Section 21(d)(2), Section 21(e), Section 21(p)(1), Section 21(p)(3), Section 21(p)(7), Section 55(a)(1) and Section 55(a)(2) of the Act and Section 812.101(a) of the Regulation.

On November 12, 2003, Mr. Collins accepted the ACWN by signing the certified mail receipt from the U.S. Postal Service. On December 4, 2003, this author hand delivered ACWNs to the property where Stephan Gulliams accepted them. Stephan Gulliams is the son of Ms. Hilton and Mr. Gulliams. According to Ms. Hilton, she gave the ACWN to Mr. Collins. Mr. Collins, Ms. Hilton, and Mr. Gulliams did not respond to the ACWNs.

Inspection

Upon arrival, this author observed the charred remains of aerosol cans, plastic containers, processed wood, white goods, a couch, metal containers, metal debris, tire beads, and tires. These waste items were located in a burn pile. The burn pile will be referred to as Area 1 in this report. Photographs 1, 2, 3, 4, and 5 show Area 1 (see site sketch and aerial photograph). Area 1 was located in the southeastern portion of the property. Area 1 was approximately 5 feet long by 5 feet wide by 2 feet high (50 ft³).

Photographs 6, 7, 8, 9, and 10 show glass bottles, car parts, paper, processed wood, brick, tile, cardboard, a toilet, and metal debris dumped along the driveway (see site sketch and aerial photograph). For the purpose of this report, this area will be referred to as Area 2. Area 2 was approximately 30 feet long by 6 feet wide by 1 feet high (180 ft³).

This author interviewed Ms. Hilton about the open dump. According to Ms. Hilton, they are going to try to clean up the property after her boyfriend (Ed Gulliams) gets out of prison. Ms. Hilton said that she has not heard anything from Mr. Collins in regards to the open dump on the property. She said that they do not burn their trash in Area 1 anymore, but evidence of new burning was observed in Area 1 (see Photograph 1) and Area 2 (see Photograph 9). This author departed the property at 11:30 AM.

The following continuing alleged violations were observed and indicated on the open dump inspection checklist:

1. Pursuant to Section 9(a) of the {Illinois} Environmental Protection Act (415 ILCS 5/9(a)), no person shall cause or threaten or allow the discharge or emission of any contaminant into the environment in any State so as to cause or tend to cause air pollution in Illinois, either alone or in combination with contaminants from other sources, or so as to violate regulations or standards adopted by the Board under this Act.

A violation of Section 9(a) is alleged for the following reason: **Evidence of open burning which would cause or tend to cause air pollution in Illinois was observed during the inspection.**

5. Pursuant to Section 21(e) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(e)), no person shall dispose, treat, store or abandon any waste, or transport any waste into this State for disposal, treatment, storage or abandonment, except at a site or facility which meets the requirements of this Act and of regulations and standards thereunder.

A violation of Section 21(e) is alleged for the following reason: **Waste was disposed at this site which does not meet the requirements of the Act and regulations thereunder.**

The prohibitions specified in this subsection (p) shall be enforceable by the Agency either by administrative citation under Section 31.1 of this Act or as otherwise provided by this Act. The specific prohibitions in this subsection do not limit the power of the Board to establish regulations or standards applicable to open dumping.

A violation of Section 21(p)(1) is alleged for the following reason: **The open dumping of waste was caused or allowed in a manner which resulted in litter.**

7. Pursuant to Section 21(p)(3) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(p)(3)), no person shall, in violation of subdivision (a) of this Section, cause or allow the open dumping of any waste in a manner which results in open burning.

A violation of Section 21(p)(3) is alleged for the following reason: **The open dumping of waste was caused or allowed in a manner which resulted in open burning.**
