HEARING OFFICER ORDER

On March 25, 2004, complainant participated in a telephone status conference with the hearing officer. Complainant was not able to reach respondent's attorney for the status conference; however, respondent's attorney called to say that she had been awaiting the call. Complainant reported that it had not heard from respondent regarding this case, and that respondent's answer to the amended complaint is overdue. Respondent said the answer will be filed in about a week. Respondent agreed to contact complainant before the next telephone status conference.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:30 a.m. on April 20, 2004. The status conference shall be initiated by the complainant. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
