HEARING OFFICER ORDER

On March 30, 2004, the parties participated in a telephone status conference with the hearing officer. Within the next month, a consultant will sample the existing monitoring wells. The consultant will report the results to the Illinois Environmental Protection Agency (Agency), and the parties will then schedule a meeting with the Agency to determine what further action is needed.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on June 29, 2004. The status conference shall be initiated by the complainant, although each party is responsible for their own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
