HEARING OFFICER ORDER

On April 1, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they will discuss a possible settlement in this matter prior to the next status conference. If the parties are unable to reach a resolve by the next status conference, a hearing may be scheduled. Petitioner represented that it will file a 60-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 20, 2004, at 11:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
