HEARING OFFICER ORDER

On April 13, 2004, the parties participated in a telephone status conference with the hearing officer. Petitioner has submitted all final information on a revised permit application. There is some confusion over whether respondent's technical unit is considering this to be a revision of the application under appeal or a new application. If it is a new application, petitioner will dismiss this docket. The parties hope to clarify this question within the next 30 days.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:30 a.m. on May 13, 2004. The status conference shall be initiated by the petitioner. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

The petitioner filed an open waiver of the statutory decision deadline.

IT IS SO ORDERED.
