**HEARING OFFICER ORDER**

On April 22, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties informed the hearing officer that a stipulation and proposal for settlement (stipulation) is still being circulated for review and signatures.

The parties are directed to participate in a telephonic status conference with the hearing officer on June 24, 2004, at 11:00 a.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
