RE: Case PCB-03-235  
United Transfer Station

Dear Chairman Novak:

I am writing this letter in support of the modification permit for United Disposal's transfer station referenced above.

I understand that you are in receipt of support letters from the City of Kankakee and the Village of Bourbonnais and a resolution of support number R-3-03-4 from the Village of Bradley.

Chairman Novak, United Disposal located in the Village of Bradley has applied for a supplemental operating permit to the I.E.P.A. The amendment is to repeal condition number 9. After reading the information from the above mentioned municipalities, I agree that this facility is an important community resource.

Thank you in advance for your consideration.

If I can be of further assistance, or provide you with any additional information on this issue, please don't hesitate to call.

Very cordially yours,

A handwritten signature in cursive script that reads "Lisa".
