To The Members Of The Board,

I am writing you in regards to the United Disposal's Transfer Station  
Case PCB-03-235.

As a former resident of the neighborhood, I have seen the day to day  
operation of these people who are trying to make a living for  
themselves and extended families, their employees. These people are  
very helpful and generous to the people in our community.

In review of their request to supplement their permit I discovered a  
letter from a former neighbor of mine who is a Kankakee County  
employee, specifically an employee of our State's Attorney Office who  
criticizes United Disposal. Then again as my neighbor she  
complained about everything. Her claims and accusations are  
certainly fabricated.

I just want you to know I support United Disposal 100%. Give them  
their permit!

P.S. United has no Dobermans and never did.

Thank You,

C.W. Hawley
