Respondent.)	

HEARING OFFICER ORDER

On May 3, 2004, petitioner participated in a telephone status conference with the hearing officer. Respondent did not appear. Since the last status conference, petitioner has learned that respondent needs a site classification work plan which would require borings for test samples. Petitioner first wants to be sure that respondent will reimburse these costs. Before the next status conference, petitioner will ask respondent's technical unit if these costs will be reimbursed, and will be prepared to set a timeframe for completing this project. While the tanks have been removed from this site, petitioner reports no other significant progress with this case.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on June 3, 2004. The status conference shall be initiated by the petitioner.

Petitioner has filed an open waiver of the decision deadline in this case.

IT IS SO ORDERED.

Carol Sudman
