## **HEARING OFFICER ORDER**

On May 6, 2004, the complainant informed the hearing officer that a draft stipulation and proposal for review is being reviewed internally and will forward it to the respondents when completed. To that end, the respondents' respective answers are now due on or before July 29, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 8, 2004, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
