HEARING OFFICER ORDER

On May 6, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that settlement discussions continue and the parties are optimistic that this matter will be resolved without the necessity of a hearing.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 9, 2004, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss this matter is filed prior to the next status conference, the status conference will be cancelled without further order.

IT IS SO ORDERED.
