AC No. 2004-063

**PETITION TO CONTEST ADMINISTRATIVE CITATION**

NOW COMES the respondent, Egon Kamarasy, by Gregory A. Veach, his attorney, and hereby contests the Administrative Citation issued in the above-entitled cause to the Pollution Control Board, pursuant to § 108.204 of the Rules of the Pollution Control Board, and in support thereof states as follows:

1. Answering paragraph one (1) of the Facts section of the Administrative Citation, the respondent admits that he is the owner and in possession of real estate located in Makanda Township, within Jackson County, Illinois, but denies generally and specifically each and all of the remaining allegations contained therein and further denies that the real estate he owns constitutes a "facility", under the Illinois Environmental Protection Act.

2. Answering paragraph two (2) of the Facts section of the Administrative Citation, the respondent denies generally and specifically each and all of the allegations contained therein and further denies that "open dumping", under the Illinois Environmental Protection Act, occurred upon the respondent's property.

3. Answering paragraph three (3) of the Facts section of the Administrative Citation, the respondent admits that he has owned real estate located in Makanda Township, within Jackson County, Illinois at all times relevant to this proceeding, but denies generally and specifically each and all of the remaining allegations contained therein.

4. Answering paragraph four (4) of the Facts section of the Administrative Citation, the respondent lacks sufficient knowledge to admit or deny the allegations contained therein and, therefore, demands strict proof thereof.

5. Answering the Violations section of the Administrative Citation, the respondent denies that he has caused or allowed open dumping on real estate he owns; denies that he caused or allowed litter at or upon real estate he owns; and, denies that he caused or allowed the deposition of general construction or demolition debris or clean construction or demolition debris upon real estate he owns.

6. Answering the Civil Penalty section of the Administrative Citation, the respondent denies that he is or should be subject to a civil penalty in the amount alleged, or any other amount.

7. The debris that was upon the site alleged in the Administrative Citation was the result of the respondent's removal and destruction of mobile homes that tenants of the Raccoon Valley Mobile Home Park owned by the respondent abandoned upon the respondent's premises. The respondent was ordered to remove and dispose of the abandoned mobile homes by the Illinois Department of Public Health. The respondent assembled the mobile home debris into the one area depicted on the site alleged in the Administrative Citation and was in the process of separating the materials for recycling and for disposal of the materials that could not be recycled.

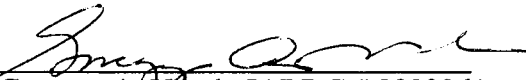

8. The violations alleged by the petitioner resulted from circumstances beyond the reasonable control of the respondent since the respondent could not prevent his tenants from abandoning their mobile homes.

9. Following receipt of a Violation Notice from the Jackson County Department of Health, the non-recyclable debris was taken to a local landfill and no debris of any kind remains upon the premises.

**WHEREFORE**, the respondent requests that the Board enter its order dismissing the Administrative Citation and denying the civil penalties and other relief sought therein.

Dated this 4<sup>th</sup> day of May, 2004.
