In regards to United Disposal's transfer Station  
Case PCB-03-235

PC#9

Dear Members Of The IPCB,

I am writing a letter in support of United Disposal's request to change their permit.

I live at 1025 E. Broadway in Bradley and also operate my car dealership from the same address. I want you to know that I have people from wherever sneaking trash into my dumpster from time to time. Am I supposed to rifle through it to see if it comes from Bradley. This seems like a ridiculous situation. It seems to me like this would violate interstate commerce laws as well.

I hope you folks have the good common sense to remedy this for United Disposal.

Thank You,

Denny Miller
