Re: PCB Case No. 0325 *03-235*
United Disposal Transfer Station

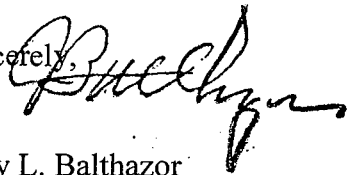

Dear Sirs:

A Village of Bradley passed unanimously (6-0) Resolution #R-3-03-4 concerning its operation of the transfer station in our Community which would allow United Disposal to accept waste generated outside our Community.

This facility is an important asset to not only Bradley but all the Communities they serve in our area. This also is a way to manage the generated solid waste which impacts the landfills and possible truck traffic through all the local areas.

Please consider favorably United Disposal's request to repeal condition number 9 of their permit.

Sincerely,

Jerry L. Balthazor
Village President
Village of Bradley
