**HEARING OFFICER ORDER**

On May 18, 2004, the parties participated in a telephone status conference with the hearing officer. Respondent requested an additional three weeks to respond to complainants' discovery requests, and complainants did not object. Accordingly, the request is granted, and respondent's responses are due June 8, 2004. At that time, complainants will review the discovery responses to determine if any further information is needed.

The parties are directed to participate in a telephone status conference with the hearing officer at 2:00 p.m. on June 22, 2004. The status conference shall be initiated by the complainants, although each party is responsible for their own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
