## **HEARING OFFICER ORDER**

On May 20, 2004, the parties participated in a telephone status conference with the hearing officer. As a result of its financial analysis, the Illinois Environmental Protection Agency has determined that respondent is able to pay the penalty amount proposed by complainant for settlement. Respondent must now decide whether it will agree to pay the proposed fine, or whether a hearing will be necessary. The parties plan to discuss this further before the next status conference.

The parties are directed to participate in a telephone status conference with the hearing officer at 2:30 p.m. on June 22, 2004. The status conference shall be initiated by the complainant. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
