HEARING OFFICER ORDER

On May 25, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant informed the hearing officer that it has recently filed a complaint naming the owners of the above-captioned Community Landfill Company. Respondent represented that it had yet to receive the related complaint. To that end, the parties suggested that another telephonic status conference be scheduled and, in the interim, the respondent will review the recently filed related complaint before suggesting a hearing date in the above-captioned matter.

The parties are reminded that a telephonic status conference with the hearing officer is scheduled for July 15, 2004, at 1:30 p.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and propose hearing dates.

IT IS SO ORDERED.
