HEARING OFFICER ORDER

On May 27, 2004, all parties participated in a telephonic status conference. The complainant represented that it is prepared to file a motion to voluntarily dismiss the Section 12 (a) violation of the Illinois Environmental Protection Act (Act) alleged in its complaint and file a brief addressing Section 33 (c) and 42 (h) of the Act in lieu of proceeding to hearing. The respondent represented that it anticipates that it will forward a signed stipulation and proposal for settlement to the complainant for review.

The parties are directed to participate in a telephonic status conference with the hearing officer on July 1, 2004, at 10:00 a.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
