ILLINOIS ENVIRONMENTAL)	(90-Day Extension)
PROTECTION AGENCY,)	
)	
Respondent.)	

ORDER OF THE BOARD (by J.P. Novak):

On May 24, 2004, the parties timely filed a joint notice to extend the 35-day period within which Aylsworth Oil Company may appeal an April 15, 2004 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.402, 105.406. Because the postmark date of the joint request is within the time for filing, the joint request was timely filed. 35 Ill. Adm. Code 101.300(b)(2), 105.404. The Agency approved petitioner's high priority corrective action plan, with modifications, for Aylsworth Oil Company's leaking underground petroleum storage tank facility located at 905 East Main Street, Carmi, White County. The Board extends the appeal period until August 18, 2004, as the parties request. *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.406. If Aylsworth Oil Company fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on June 3, 2004, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
