## **HEARING OFFICER ORDER**

On June 8, 2004, the parties participated in a telephone status conference with the hearing officer. Respondents' facility is no longer operating, and the owner is on disability with no source of income. Respondents do not have funds to correct the problems, nor are there funds for settlement. The parties are awaiting the Board's ruling on the motion to dismiss before taking further action. If the Board does not grant the motion to dismiss, this case will likely proceed to hearing.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on September 9, 2004. The status conference shall be initiated by the complainant. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
