**HEARING OFFICER ORDER**

On June 16, 2004, the petitioner informed the hearing officer that discussions have been ongoing and that the parties are close to a resolve but for a few minor issues. Once the remaining issues are settled, the petitioner anticipates that it will file a motion to voluntarily dismiss the above-captioned permit appeal.

The parties or their legal representatives are directed to participate in a telephonic status conference call with the hearing officer on August 5, 2004, at 9:15 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
