**HEARING OFFICER ORDER**

On June 17, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that an issue in this matter and a related enforcement matter involves the financial review of the petitioner. The parties anticipate ongoing discussions. The parties requested that a telephonic status conference be scheduled for 90 days. That request is granted. The petitioner represented that it will file a 120-day waiver of the statutory decision deadline.

The parties are directed to participate in a telephonic status conference with the hearing officer on September 23, 2004, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
