HEARING OFFICER ORDER

On June 24, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that a site visit that was scheduled for May 19, 2004, has been completed. The parties are discussing a schedule for remediation that will be incorporated into the stipulation and proposal for settlement should one be drafted. Penalty issues have yet to be discussed. The respondent made an oral motion for an extension of time to file its answer. The complainant had no objection. Respondent's motion is granted and its answer is now due on or before September 16, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 26, 2004, at 11:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
