HEARING OFFICER ORDER

On June 24, 2004, the parties represented that settlement discussions continue and that the parties are optimistic that this matter will be resolved without the necessity of a hearing. At present, respondent is proceeding with internal discussions. The parties requested that another status be scheduled before continuing with discovery and setting a hearing date.

The parties are directed to participate in a telephonic status conference on August 26, 2004, at 11:00 a.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation and proposal for settlement is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
