HEARING OFFICER ORDER

On June 24, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that settlement discussions have been ongoing and that the Illinois Environmental Protection Agency is reviewing a supplemental environmental project submitted by the respondent. The respondent made an oral motion for an extension of time to file its answer. The complainant had no objection. Respondent's motion is granted. Respondent's answer is now due to be filed on or before September 27, 2004.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on August 26, 2004, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
