Pollution Control Board

v.

Illinois Environmental Protection Agency,  
Respondent

**MOTION FOR AN EXTENSION OF TIME TO FILE RECORD**

Respondent, Illinois Environmental Protection Agency, by Lisa Madigan, Attorney General of the State of Illinois, moves the Hearing Officer, pursuant to Board Procedural Rules 101.502 and 101.522, to grant a one-week extension of time to file the record in this matter. In support of this Motion, Respondent states as follows:

1. Pursuant to 35 Ill. Adm. Code 105.116 and the Board's Order dated June 17, 2004, the record in the captioned proceeding is currently due to be filed July 6, 2004.
2. Unavoidable administrative delays in the effort by the Respondent Agency to compile the documents necessary for the record preclude filing of the complete record by the current due date.
3. All parties to this matter have been notified regarding, and have consented to, this motion for a one-week extension of time, on the condition that both the July 19 due date for responses to the Board's June 17 Order and the currently scheduled July 22 status conference call be also moved back one week.
4. Accordingly, Respondent respectfully requests that it be granted until July 13, 2004 to file the record in this proceeding; that responses to the Board's order be due July 26; and that the status conference call be rescheduled for July 29, or as soon thereafter as the parties and the Hearing Officer are available.
