HEARING OFFICER ORDER

On July 8, 2004, all parties participated in a telephonic status conference with the hearing officer. The respondents represented that the architect that was hired by them to design the internal portion of the pre-fabricated kennel has recently been fired due to inactivity. A new architect has been hired and is presently working on the plans. The plans are expected to be completed within two to three weeks. The plans will then be forwarded to the Village for approval.

The parties are directed to participate in a telephonic status conference with the hearing officer on August 3, 2004, at 9:30 a.m. The status conference must be initiated by the complainants, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
