**HEARING OFFICER ORDER**

On July 8, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that a stipulation and proposal for settlement (stipulation) has been drafted and the parties are presently discussing language therein. To that end, respondent is given an extension of time to file its answer. Respondent's answer must be filed on or before October 8, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 9, 2004, at 10:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the status conference will be cancelled without further order.

IT IS SO ORDERED.
