HEARING OFFICER ORDER

On July 29, 2004, the parties informed the hearing officer that they have agreed on the penalty and that the parties are discussing the language in the revised stipulation and proposal for settlement. Respondent made an oral motion for an extension of time to answer or otherwise plead. Complainant has no objection. Respondent's motion is granted. Respondent's answer or other pleading is now due on or before September 30, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference call with the hearing officer on September 16, 2004, at 11:00 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
