**REQUEST FOR NINETY DAY EXTENSION
OF APPEAL PERIOD**

NOW COMES the Respondent, the Illinois Environmental Protection Agency ("Illinois EPA"), by one of its attorneys, John J. Kim, Assistant Counsel and Special Assistant Attorney General, and, pursuant to Section 40(a)(1) of the Illinois Environmental Protection Act (415 ILCS 5/40(a)(1)) and 35 Ill. Adm. Code 105.208, hereby requests that the Illinois Pollution Control Board ("Board") grant an extension of the thirty-five (35) day period for petitioning for a hearing to October 28, 2004, or any other date not more than a total of one hundred twenty-five (125) days from the date of service of the Illinois EPA's final decision. In support thereof, the Illinois EPA respectfully states as follows:

1. On June 24, 2004, the Illinois EPA issued a final decision to the Petitioner. (Exhibit A)
2. On July 25, 2004, the Petitioner made a written request to the Illinois EPA for an extension of time by which to file a petition for review, asking the Illinois EPA join in requesting that the Board extend the thirty-five day period for filing a petition to ninety days. The Petitioner's request included documentation that represented the final decision was received on June 25, 2004. (Exhibit B)

3. The additional time requested by the parties may eliminate the need for a hearing in this matter or, in the alternative, allow the parties to identify issues and limit the scope of any hearing that may be necessary to resolve this matter.

WHEREFORE, for the reasons stated above, the parties request that the Board, in the interest of administrative and judicial economy, grant this request for a ninety-day extension of the thirty-five day period for petitioning for a hearing.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,
Respondent

Dear Mr. Royer:

The Illinois Environmental Protection Agency (Illinois EPA) has reviewed the High Priority Corrective Action Plan Budget Amendment (budget amendment) submitted for the above-referenced incident. This budget amendment, dated May 13, 2004, was received by the Illinois EPA on May 14, 2004. Citations in this letter are from the Environmental Protection Act (Act) and 35 Illinois Administrative Code (35 Ill. Adm. Code).

The budget amendment is rejected for the reason(s) listed below (Section 57.7(c)(4) of the Act and 35 Ill. Adm. Code 732.405(c) and 732.503(b)).

1. In accordance with Section 57.7(c)(4) of the Act and 35 Ill. Adm. Code 732.503(b), any action by the Illinois EPA to disapprove or modify a plan or budget submitted pursuant to Title XVI of the Act shall be provided to the owner or operator in writing within 120 days of receipt.

The Illinois EPA previously notified the owner or operator of its final action. Further, in accordance with Section 57.7(c)(4) of the Act and 35 Ill. Adm. LUST Incident No. 20000692
LUST Technical File

Dear John:

On June 24, 2004, the Illinois Environmental Protection Agency issued a letter with respect to the above-referenced LUST Incident regarding the new amended High Priority Corrective Action Plan and Budget Amendment dated May 13, 2004, which was received by the Agency on May 14, 2004. The Royer Oil (Sorento Garage) is located in Sorento, Bond County, Illinois. A copy of the letter is attached. Royer Oil submitted these documents pursuant to Section 732.405(e) which states as follows:

If, following approval of any groundwater monitoring plan, corrective action plan or associated budget plan, an owner or operator determines that revised procedures or cost estimates are necessary in order to comply with the minimum required activities for the site, the owner or operator shall submit, as applicable, an amended groundwater monitoring plan, corrective action plan or associated budget plan for review by the Agency. The Agency shall review and approve, reject or require modifications of the amended plan in accordance with the procedures contained in Subpart E of this Part.

It appears that the Agency did not review these documents in accordance with the procedures contained in Subpart E.

Royer Oil (Sorento Garage) believes that, based upon discussions with Illinois Environmental Protection Agency and for other reasons, that we will be able to resolve the issues raised in the Agency's letter. However, we believe that we will not be able to resolve these issues by the deadline for filing an appeal of these issues to the Illinois Pollution Control Board. Thus, this is a request for a 90-day extension pursuant to the Illinois Environmental Protection Act Section 40(a)(1) and 35 IAC 105.406 to allow us to continue these discussions and to try to resolve this issue.

If, for any reason, the Agency will not seek the 90-day extension, please notify me immediately so that I may file the appeals to the Board. If you have any questions or comments, please do not hesitate to contact me.

Sincerely yours,

BARNES & THORNBURG LLP
