HEARING OFFICER ORDER

On August 3, 2004, the parties participated in a telephone status conference with the hearing officer. Although the Board ordered respondent to build a twelve foot noise barrier, the city ordinance prohibits fences taller than six foot; however, the city will allow a ten foot barrier in this instance. Complainants are satisfied with this compromise. The parties are meeting with city officials tonight to discuss when construction will begin. Respondent will file a status report by September 1, 2004.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on September 14, 2004. The status conference shall be initiated by the complainants, but each party is responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
