HEARING OFFICER ORDER

On July 29, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that it appears that a settlement has been accomplished on the key issues. The complainant represented that it has drafted its second stipulation and proposal for settlement and has circulated it for review. The parties made a joint motion for an extension of time to file respondent's answer. The motion is granted. Respondent's answer is now due on or before September 29, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 29, 2004, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
