HEARING OFFICER ORDER

Complainant did not appear at the scheduled telephonic status conferences set for September 5, 2002, and on October 17, 2002. On September 11, 2002, the hearing officer received a letter from the complainant indicating that she would not be able to appear at telephonic status conferences until October 2002, because she was under doctors care. On October 23, 2002, the hearing officer issued an order requesting that the complainant contact the hearing officer either by U.S. Mail or by telephone regarding her availability of another telephonic status conference on or before November 21, 2002. The complainant has failed to do so. The complainant is directed to appear at the next status conference. The date and time are noted below. If the complainant fails to appear at the next status conference, this matter will be referred to the Board for appropriate sanctions. It is noted that the hearing officer left a message on complainant's answering machine alerting her to this order and the February 10, 2003, status conference on February 4, 2003.

The parties are directed to participate in a telephonic status conference with the hearing officer on February 10, 2003, at 1:30 p.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
