## **HEARING OFFICER ORDER**

On August 5, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that respondent has reviewed the stipulation and proposal for settlement (stipulation) and is in agreement to the terms therein. The stipulation will be circulated for signatures. The complainant agreed to an extension of time for respondent to file its answer, if needed, to and including November 15, 2004. To that end, respondent's answer is now due to be filed on or before November 15, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 14, 2004, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
