Dear Sir or Madam

I am a widow living on 743 AMO  
Social Security and I no longer have  
a business as of July 1-03.

White Way went bankrupt with people  
Owing me about \$6000 that I will never  
receive. All I have is the building in  
Jerseyville at 98 Curtis, which is for sale  
but I have already had to drop the price  
\$50,000. Now when it sells, I have 2  
banks to settle up with also lawyers  
Engineers, Ballard Bros and some of the  
people who hauled off my garbage to  
landfill because I owed them <sup>(Dundell)</sup> and couldn't  
take it out to landfill. The way things stand  
now, I will be lucky to come out with  
enough to pay these bills I have no savings  
and live in my daughter's home. So I can  
not at this time expect any excess money  
to pay you \$4500. I hope this makes it pretty  
clear.
