Re: Village of South Elgin v.  
Waste Management of Illinois, Inc.  
PCB 03-106

Dear Mr. Halloran:

Please consider this letter an update on the status of this matter. Presently pending are cross-motions for summary judgment and these are fully briefed. The Village of South Elgin and WMI have agreed, however, to request a 90 day stay on any decision by the Board. WMI will be seeking approval of a Transfer Station located in the City of Elgin and, should that application be approved, the parties have agreed that it would make this matter moot.

Should you have any questions or comments, please do not hesitate to contact me.

Very truly yours,

  
Derke J. Price
