ADMINISTRATIVE CITATION

<u>Violation:</u>	<u>Civil Penalty:</u>
415 ILCS 5/21(p)(1)	\$1,500.00
415 ILCS 5/21(p)(7)(i)	\$1,500.00
TOTAL:	\$3,000.00

Facts

For this Administrative Citation to **BOVIS LEND LEASE, INC.** ("BOVIS"), the City of Chicago Department of Environment ("CDOE") states as follows:

1. Complainant, CDOE, is a unit of local government to which the Illinois Environmental Protection Agency has delegated authority to issue administrative citations pursuant to Section 4(r) of the Illinois Environmental Protection Act ("Act"), 415 ILCS 5/4(r) (2004). CDOE is thus a "delegated unit" and may issue administrative citations under 35 Ill. Adm. Code 108.200.

2. Respondent **BOVIS** engages in waste disposal activities and is a Florida corporation registered in Illinois and doing business in Illinois

3. On July 20, 2004, CDOE inspector Lafayette Robertson inspected the site approximately one block east of the excavation at 2011 W. Roosevelt Road. A copy of his inspection report is attached as Exhibit 1 and made a part of this Administrative Citation. Inspector Robertson observed general construction and demolition debris and litter in a pile rising approximately forty feet. The general construction and demolition debris and litter was visible by the public and included but was not limited to soil, wood, concrete, and bricks.

Inspector Robertson spoke to BOVIS employees Doug Maddrill and Daniel Jedrzejowski who admitted that BOVIS created the above pile.

4. Based upon direct observations made by Mr. Robertson during the course of his inspection, CDOE has determined that Respondent violated the Act as follows:

- a. Respondent caused or allowed the open dumping of waste in a manner resulting in litter, in violation of Section 21(p)(1) of the Act, 415 ILCS 5/21(p)(1) (2004).
- b. Respondent caused or allowed deposition of general construction or demolition debris in violation of Section 21(p)(7)(i) of the Act, 415 ILCS 5/21(p)(7)(i) (2004).

5. Mr. Robertson's affidavit, attesting to his material actions and observations, is attached as Exhibit 2 and made a part of this Administrative Citation.

6. Based upon the foregoing facts, under Section 42(b)(4-5) of the Act, 415 ILCS 5/42(b)(4-5) (2004), Respondent is subject to a civil penalty of One Thousand Five Hundred Dollars (\$1,500.00) for each of the violations identified above, for a total civil penalty of **Three Thousand Dollars (\$3,000.00)**.

Notices and Instructions to Respondent

7. If you do not contest this Administrative Citation by filing a petition for review with the Board within the allotted time, the Board will enter an order finding that you committed the violations alleged above and imposing the statutory civil penalty set forth above. See Section 31.1(d) of the Act, 415 ILCS 5/31.1(d) (2004), and 35 Ill. Adm. Code 108.500(a).

If the Board finds after the hearing that you did not commit a violation as alleged above, or that the violation resulted from uncontrollable circumstances, you will not be assessed hearing costs and you will not have to pay a civil penalty.

10. If any civil penalty and/or hearing costs are not paid within the time set by the Board in its final order, interest on the amount due will be assessed against you from the date payment is due and including the date that payment is received.

11. If any civil penalty and/or hearing costs are not paid within the time set by the Board in its final order, the Office of the Illinois Attorney General and/or the City of Chicago Department of Law may initiate court proceedings against you to collect the amount due, plus any interest accrued. In that event you may also be liable for court costs.

Chicago Children's Advocacy Center

Fact Sheet

Mission:

The Chicago Children's Advocacy Center (CCAC) coordinates, supports, and participates in an interdisciplinary response to child abuse victims and their families in a child-friendly environment that ensures children's safety, health and well-being. The CCAC accomplishes its mission by:

- providing healing services, including crisis intervention, interviewing, advocacy, and treatment for children and their families;
- providing outreach and education to deepen the community's understanding of the causes and consequences of child abuse and stimulate community participation in caring for Chicago's abused children; and
- providing a physical and professional environment that supports the work of the agencies charged with responding to child abuse.

Child Sexual Abuse:

In Chicago alone, over 3,000 children each year allege sexual abuse. Each case must be investigated to make sure the child is safe from further abuse. Child sexual abuse can be devastating to children. Emotionally, children can experience withdrawal, post-traumatic stress disorder, and feelings of shame, distrust, and guilt. As adults, sexually abused children can be at greater risk for suicide, criminality, substance abuse and other problems.

Member Agencies:

No one agency or professional alone can prevent and treat the problem of child sexual abuse; a multi-disciplinary response is necessary. The CCAC has developed a collaborative partnership between law enforcement, child protective services, prosecution, mental health and the medical community to serve the best interests of the child.

The CCAC is a child-oriented facility that houses staff from agencies with primary responsibility for investigating abuse related crimes against children: the Chicago Police Department, the Illinois Department of Children and Family Services and the Cook County State's Attorney's Office. The Center also has a pediatric medical clinic for abused children, operated by the Cook County Bureau of Health Services.

Services:

The CCAC provides intensive advocacy and services for sexually abused children, including court accompaniment and education, linkage to social services and mental health resources and crisis intervention. Support groups and child life services are also available.

Location:

The CCAC is located at 13th Street and S. Damen Avenue, on the Southwest side of Chicago. The facility is in the Illinois Medical District, near Cook County Hospital and the Cook County Juvenile Court complex. The Center began serving children in May 2001.
