ORDER OF THE BOARD (by J.P. Novak):

On May 20, 2004, at the parties' request, the Board extended until August 4, 2004, the time period for Brock Oil Company to appeal a March 1, 2004 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 101.300(b), 105.402, 105.406. The Agency approved petitioner's high priority site investigation corrective action plan, with modifications, for Brock Oil Company's leaking underground petroleum storage tank facility located at 601 North Clinton Street, Bloomington, McLean County. Because petitioner failed to timely file an appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 19, 2004, by a vote of 4-0.

Illinois Pollution Control Board
