HEARING OFFICER ORDER

On August 24, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that the respondents have provided clean-up receipts for complainant's review. Complainant represented that it will draft a stipulation and proposal for settlement (stipulation) and forward it to the respondents for their review.

The parties are directed to participate in a telephonic status conference with the hearing officer on October 12, 2004, at 10:30 a.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
