HEARING OFFICER ORDER

On or about August 11, 2004, the complainant notified the hearing officer that it would not be able to appear at the August 19, 2004, status conference and requested that it be rescheduled. The complainant represented that the respondent had no objection. To that end, the August 19, 2004 status conference was cancelled and is rescheduled to the date and time noted below.

The parties are directed to participate in a telephonic status conference on September 14, 2004, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
