HEARING OFFICER ORDER

On August 26, 2004, all parties participated in a telephonic status conference with the hearing officer. The petitioner informed the hearing officer that it plans to close its Collins Generating station and that the parties will be discussing the required permits needed after the station is closed. It was agreed that the record in this matter will now be due to be filed on or before December 31, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 2, 2004, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
