HEARING OFFICER ORDER

On August 26, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that a draft stipulation and proposal for settlement (stipulation) is being circulated for review and that they remain optimistic that this matter will be resolved without the necessity of a hearing.

The parties are directed to participate in a telephonic status conference on October 28, 2004, at 10:45 a.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
