HEARING OFFICER ORDER

On August 26, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that the Illinois Environmental Protection Agency has referred another alleged and minor violation. To that end, the complainant intends to file a motion for leave to amend the complaint and incorporate it in the existing stipulation and proposal for settlement (stipulation). The parties represented that they will continue to discuss settlement in the interim.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 28, 2004, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
