RE: Jo'Lyn Corporation/Falcon Waste & Recycling, Inc.
Petition for Adjusted Standard
AS 04-02

PC# 12

Dear Ms. Gunn:

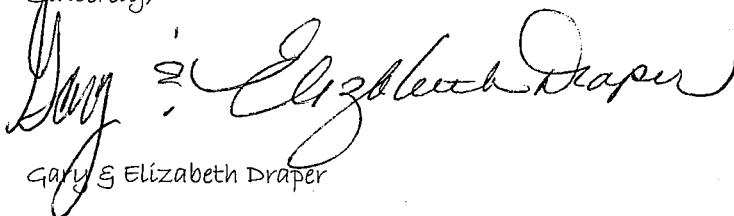

August 30, 2004

We are writing today to support the efforts put forth by Jo'Lyn Corp. and Falcon Waste & Recycling, Inc., to gain the approval of your office so that they may create and apply their new product "Eclipse Dust Control". We have driven on a driveway with it applied and are very impressed. We consider "Eclipse Dust Control" to be a desired product. We do not consider this material to be a waste.

Personally, we are waiting for our driveway to be coated with "Eclipse Dust Control". We currently have a gravel driveway but can not afford blacktop.

We urge your office grant Falcon Waste & Recycling - Jo'Lyn corp. their requested adjusted standard. It is good product that we are waiting for.

Sincerely,

Gary & Elizabeth Draper
