AC 04-34

(IEPA No. 723-03-AC)

(Administrative Citation)

On September 9, 2004, a telephonic status conference was held with the hearing officer. Respondent Troy Williamson did not appear. The complainant represented that Williamson contacted it and stated that the cleanup has been completed and that he will review and sign the stipulation and proposal for settlement (stipulation) in the near future. Respondent Swords Veneer and Lumber Company anticipates signing the stipulation as well.

The parties are directed to participate in a telephonic status conference with the hearing officer on October 28, 2004, at 11:45 a.m. The parties are directed to call 1-866-215-5505 and use the pass code 8011676. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
