HEARING OFFICER ORDER

On September 9, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that it appears a settlement has been reached and that the parties are circulating a stipulation and proposal for settlement (stipulation) for review. The parties are optimistic that the stipulation will be filed in the near future.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 21, 2004, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
